RE: REVISED PERMIT DOCUMENTS, PROPOSED JUNGO DISPOSAL SITE, HUMBOLDT COUNTY, CALIFORNIA

Dear Ms. Merrill:

Golder Associates Inc. (Golder) is submitting revised permit documents for the Jungo Disposal Site in response to Nevada Division of Environmental Protection's (NDEP's) March 4, 2009 first technical review letter. Specifically, these revisions modify the base liner system to include a double liner system.

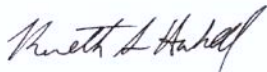

The following documents supersede and replace portions of the previous submittals:

- Attachment 1: The Report of Design Text (Revision 3, April 2010).
- Attachment 2: Drawings 1, 3A, 4 and 8 in Volume II, Design Plans (Revision C April 2010)
- Attachment 3: Appendix D of the Plan of Operations (Revision 1, April 2010)

We appreciate the opportunity to support Recology on this project. If you have any questions regarding our proposal, please contact me at (916) 786-2424.

Sincerely,

GOLDER ASSOCIATES INC.
